INVITATION LETTER

Dear ladies and gentlemen,

On behalf of the Government of the Republic of Kazakhstan as well as on behalf of the Organizing Committee of the 5th World Nomad Games Astana 2024 allow us to greet you and present this invitation.

From September 8 to September 14, 2024, the 5th World Nomad Games will be held in the capital of the Republic of Kazakhstan, Astana.

The World Nomad Games are the largest international sports forum for ethnic traditional sports. The Games are based on the national games of nomadic peoples, who are united by a common history and culture that goes back centuries. The 5th Nomad Games are intended to become another vehicle for the cultural and spiritual rapprochement of our peoples.

The comprehensive program of the 5th World Nomad Games will traditionally include events in three areas: sports, culture and science. About 4,000 participants from more than 100 countries will arrive in Astana. Sports competitions will be held in modern sports arenas in the capital. Participants and guests will be accommodated and offered meals in the best hotels of the city. The sports program of the Games will include 110 sets of medals in 20 sports. An eventful cultural program will be organized on the territory of a large Ethno-Aul "Nomadic Universe," as well as at the best concert, theater, and park venues in Astana. An important event of the 5th World Nomad Games will be the International Scientific and Practical Conference dedicated to discussing current issues in the development of ethnosport.

Astana is one of the most dynamically developing and safe megacities in the world, so the stay of your country's delegates during the Games will be as comfortable as possible.

Dear friends, it is with special honor that we send you this invitation for the participation of your country's delegation in the 5th World Nomad Games from September 8 to 14, 2024. You are welcome in our warm and hospitable country.
